Missionaries to Argentina

Reaching the lost by Training the found

1ST QTR 2025

As we look back on this past year, it's incredible to see how far we've come, fueled by the Holy Spirit unique gifts and talents each of us has received by grace. We're excited to celebrate the milestones, the challenges overcome, and the work accomplished. There is not enough space in a report to convey the stories of how talents were nurtured, how new opportunities were shaped, and how we made a lasting impact. To God be the glory!

We continue offering trainings for the mobilization and establishment of university ministry in local churches

We continue offering trainings on biblical sexuality in local churches and Bible Schools
